

Parent Letter:

Dear Parent,

Our Youth retreat, the Pursuit is an amazing weekend away where 6th through 12th grade students get to encounter the love of God and build lifelong connections and relationships with their peers and leaders. This year's theme is called *Satisfy based* on Psalm 107:9.

This year's Pursuit will be held on September 16-18th, which will give us access to the great outdoors and help students connect to God through the beauty of nature. The Pursuit trip that we all love so much will be at Rock Mountain Bible Camp which is located in Susquehanna PA, about 2 1/2 hrs away from NJ. The staff is incredibly warm, inviting and always work hard to keep their facilities clean.

We set out on our Pursuit early Friday morning on September 16th. Students meet at the church at 7:30am to check in and load the buses. Within this packet of info, we will instruct you on what *to bring* as well as a *letter for school officials regarding dismissal of classes on that Friday*.

With this being said, the trip cost includes coach bus transportation, lodging, all meals starting Friday Night (pack a lunch for Fri.), and tons of programming and activities. With every paid registration, each student will receive a T-shirt with this current year's theme. The registration of \$175 per student requires a \$50 non-refundable deposit so we can order t-shirts and materials on time for the event.

Registration is available on the Oasis Blue Room App and in person on Sundays at Oasis. Until then feel free to contact us through the church office (732.499.0040) at any time.

In Pursuit,
Takeover Team
